

WAYZATA YACHT CLUB
2013
NOTICE OF RACE

1. RULES

- 1.1 Racing will be governed by the *rules* as defined in the *Racing Rules of Sailing (RRS)*. Any changes to the RRS are stated in this Notice and/or will appear in the Sailing Instructions. In addition, each WYC Class is governed by its class Rules and by local modifications to its Class Rules as may be posted under the “Racing/Results” tab (“Official Special Fleet Rules”) at www.wyc.org.

2. ELIGIBILITY AND ENTRY

- 2.1 Racing is open to all boats of a WYC recognized fleet. Eligible boats must be entered by a WYC Full Member, and shall have a WYC Full Member or a WYC Skipper Member on-board for each race. This changes RRS 46.
- 2.2 Notwithstanding the above, a boat may substitute a paid WYC Crew Member for the Full or Skipper Member on-board up to 3 times per season. A paid WYC Crew Member may so substitute no more than 3 times per season on any/all boats. All substitutions must be reported to that fleet’s Fleet Captain prior to substitution.
- 2.3 Women ONLY may steer a boat during designated Women’s Races, except that a male crew may intervene briefly for the few seconds necessary to avoid imminent contact with another boat.

3. FEES

Current WYC dues, mooring fees and fleet fess shall be paid one week before being scored in races.

4. SCHEDULE OF RACES -- See attached.

5. VENUE AND COURSES

The racing venues are various locations on Lake Minnetonka. The courses are described in the Sailing Instructions.

6. SCORING, HAUL-OUT AND RADIO COMMUNICATIONS

Scoring will be by the low point system per RRS Appendix A. There are no haul-out restrictions. Boats may monitor VHF Channel 68 before and during racing. The RC signal boat may (but is not obligated to) make OCS and change-of-course announcements on VHF channel 68 during racing. Boats may not make radio transmissions during racing except in emergencies.

7. INSURANCE AND SAFETY

Each boat shall have adequate liability insurance and shall provide proof of insurance upon request by the WYC Board. Each boat shall have safety gear, proper government registration and shall display licenses and numbers as required by law.

8. ADDITIONAL REQUIREMENTS FOR BOATS

- 8.1. Each boat shall carry a current copy of the *Racing Rules of Sailing* or a facsimile with the same information.
- 8.2. Each boat using 150% or larger jibs shall have them equipped with visibility windows.
- 8.3. Each boat with an outboard engine shall either stow it aboard or keep it mounted on the stern with the shaft in the vertical position before, during and after racing while in the racing area.
- 8.4. RRS 77 and Appendix G are changed to delete that a boat must display a US Sailing-assigned sail number and/or national letters. Hull numbers and/or customary sail numbers are permitted. Other requirements of Appendix G are not changed.
- 8.5. A boat new to her class whose sail number duplicates an existing sail number in her class shall change the number on all sails so that there are no duplications.
- 8.6. A boat shall not race without her sail number on her mainsail, on her spinnaker and on 130% and larger jibs. Moreover, a boat using a borrowed or other sail not carrying the proper number shall report the discrepancy (never via radio) to the RC boat both before and after each race where the mis-numbered sail is used. Failure to meet these requirements is subject to disqualification by the RC without a hearing. This changes RRS 63.1 and A5.

9. PHOTOGRAPHER’S RIGHTS

Participants give absolute right and permission for video footage or photographs of themselves or their boat, to club designated photographers, to be published in any media for press purposes and editorial or advertising purposes.

WYC RACING SCHEDULE 2013

2013	DAY	TIME	PLACE	EVENT
9-Feb	Sat	8:30-5:00p	WYC	<i>Seminar - North U - Rules & Tactics</i>

WYC RACING POLICIES

These are administrative policies and are neither Sailing Instructions nor part of the Notice of Race

1) Establish Your Finish Position

Note (and if possible write down) the time when you finish, either actual time or your elapsed time. Notice other boats around you at the finish, boats in your own class, boats in other classes, both ahead and behind your boat. It is particularly helpful to note a timed fleet boat near you to later be able to establish your time of finish

The WYC Race Committee does an outstanding job. They audio record the finishes and the times. Yet when well over 100 boats participate in WYC races, the RC may miss recording your finish. When you note your finish position and time, and other boats nearby, you may be able to help fix a position for your boat, if missed. Back at the club you and the RC can listen to the tape to help accurately establish your finish if it was missed. Or, when asked, you may be able to help establish the position and/or time for another boat, whether in your class or a different class.

2) What To Do If You Are Not Scored Or Are Scored Incorrectly

After the race, the PRO will post the “Raw” score sheets and “Update” the club computer ASAP. If you are not scored correctly, the data you kept at the finish as suggested above will help. Immediately after the race you may contact the PRO or the Club Race Officer/Scorer (Blake Middleton) at the clubhouse to discuss the possible error and the correction may be able to be made on the spot. However, later if you discover an error, you are asked to ONLY contact your fleet captain and convey whatever information you have. Your Fleet Captain will contact the Club Race Officer/Scorer (Blake Middleton) in an effort to correct the results. You are asked NOT to contact the Club Race Officer/Scorer at this time. It is best if you email your Fleet Captain. If not by Email, ensure in writing or otherwise that the Fleet Captain understands the error and knows exactly what to report. The Fleet Captain will contact the scorer by Email (only) at MYC@aol.com with a subject line that reads “WYC Scoring Error.” If you email your Fleet Captain, your Email can be forwarded, with comments as necessary. **FLEET CAPTAINS TAKE NOTE.**

3) You Have 2 Weeks at Series End to Make Corrections

Scoring changes cannot go on forever. The policy is that two weeks after the last race of a series or cup race the scoring is final. You have two weeks to get corrections done. You can go on record before the two-week period ends, even if your fleet captain is out of town. You can do this by email, US mail, voice mail or phone calls to your fleet captain. Members can check and verify race results at the computer at WYC or on-line at www.wyc.org. Note this is meant for correcting clerical errors and oversights (like not being scored when you did finish). It is not meant to change DNC's to DNF or DNS. See Sailing Instruction 16.4. **FLEET CAPTAINS TAKE NOTE.**

4) The 6 Race Requirement

The WYC by-laws state a Full member who finishes 6 races/season in their boat maintains a mooring priority in the highest category — which is based primarily on membership seniority. If you finish the six races in a year and are in the marina that year, you are guaranteed a dock or buoy in WYC marina the following year, assuming you pay your fees timely and the water is deep enough.

5) The 15 Race Requirement

The WYC by-laws state that the Board of Directors shall determine fees. The WYC BOD has established a two-tier mooring fee system; one system is for members who meet the 15 Race Requirement and the other is for members who do not. This allows the club to charge the higher “commercial market rate for docking on Lake Minnetonka” for mooring members who do not race at all, powerboats, or sailboats who are not active racers, while charging a lower “WYC Racer Mooring Rate” for active racers (those meeting the 15 race requirement). New members to the WYC who declare their intent to be active racers (at least 15 races) are automatically granted the racer mooring rate the first year mooring.

6) What Races Count toward the 15 Race Requirement

All WYC keelboat races on Lake Minnetonka shown on WYC Current Season's Racing Schedule may be counted toward the 15-race requirement. This includes all regular keelboat races for all classes plus but not limited to the regattas like Cool Cup, U-Gotta Regatta, J-22 Districts, and J-22 Fleet #1 Championship run by both the WYC and MYC Race Committees and other races shown on the WYC Schedule for keelboats on Lake Minnetonka. Lake Minnetonka moored boats taken to Lake Superior and sailed in Bayfield Race Week may receive up to three credits.

7) How To Receive Credit Against the 15 Race requirement For Cancelled, Abandoned, Did Not Finish, Etc.

The new WYC computer scoring system has a provision for scoring a competitor "ATT", meaning "ATTENDED" when the race is Cancelled, Abandoned, or a racer receives a DNF (did not finish), or any of the other scoring abbreviations noted in A11 of the Racing Rules of Sailing (RRS), except DNC (did not come to the starting area). When races are cancelled or abandoned, the Race Committee will make an effort to stand by the race course and the committee boat dock to take sail numbers of competitors who pass by so they can immediately enter them into the WYC scoring computer as a "ATT" which gives the boat credit for that race even though there was no race.

8) Substituting Certain Activities For Up to 3 of the 15 Race Requirement

Members must participate in at least 12 of the keelboat races scheduled in the WYC Schedule of Races. Members may substitute for up to 3 of the 15-race requirement by participating in associated club support activities. These include:

- a) Provide a boat for the "WYC On the Water Training" to be a Host Skipper. Three Saturdays equals the maximum 3 activities credits. Receive a WYC Host Skipper Hat for participating in 2 of the 3 Saturdays.
- b) Be a Certified Guest Instructor for "WYC On the Water Training. Three Saturdays equals the maximum 3 activities credits. Receive a Prized Red WYC Guest Instructor Hat for 2 of the 3 Saturdays.
- c) Participate in "Spring Cleanup Day".
- d) Participate in another WYC event approved in advanced by the WYC BOD as recorded in the minutes.

Organizers of the above events will keep lists of those qualifying for participation credit and enter the data into the WYC computer for the member's credit. It would be a good idea for members to check the WYC scoring computer at the clubhouse or on the web to see that they were properly credited.

9) Trophies

WYC Sailing Instruction 19.1 says that number of trophies per Fleet for a Series (or Cup Race) will be based on the overall average number of competitors in that event. An example: a 6 race series where the number of competitors in the races were 6-2-5-4-10-8 = 35. 35 divided by 6 = 5.83 is rounded to 6. In this example, there would be two trophies (1st & 2nd) for six participants in that Fleet. If races 5 & 6 were canceled in that example, there would be just one trophy for that Series based on an average of 4.25 competitors.

There has been confusion in the past on how trophy averages are calculated because of language in Sailing Instruction 16.2. 16.2 does not apply to trophies. Instruction 16.2 refers specifically and only to Rule A9 to distinguish the number of points assigned to a boat that Did Not Come ("DNC") to a race vs. points for those boats that did come - including DSQs, DNFs, DNSs, etc.

10) Appealing an Unsatisfactory Scoring with a "Request For Redress"

If a competitor is dissatisfied with a scoring result they may file a request for redress in accordance with the RRS.

11) Appealing to the WYC Board Of Directors the Missing of the 15 Race Requirement

A member who misses the 15-race requirement due to mitigating or extraordinary circumstances may appeal to the WYC BOD at season's end.

- a) When filed under mitigating circumstances the following applies:
 - i) Mitigating circumstances can be a change in employment or special family circumstances, which temporarily hinder the member's ability to participate in racing.
 - ii) The BOD may rule that the member must pay the market rate for the forthcoming season, but upon meeting the 15-race requirement, receive a refund for the difference in rate.
 - iii) This exception will not be granted for 2 consecutive seasons.
- b) When filed under extraordinary circumstances the following applies:
 - i) Extraordinary circumstances can be: prolonged illness or death, severe accident, or natural disaster, or severe boat damage, which precludes participation in races for an extended period of time.
 - ii) The BOD may grant an outright exception to the 15-race requirement and permit the member to pay the "Racing Rate" for the forthcoming season.
- c) Appeals, which do not fall within the above guidelines/definitions, will be denied.

STARTING SEQUENCE

Series (A, B, C, G, M, T) Regattas - Frostbite Commodore Cup - Burton Cup			Big Island Series Women's Cup Races		
	Flag	Time		Flag	Time
WARNING	Yellow	:00	WARNING	Yellow	:00
PREPARATORY	Blue	:03	PREPARATORY	Blue	:03
S2 7.9	Red	:06	J/22 & J/24 & Sonar	Red	:06
J/24	Red	:09	Ensign & Capri 25	Red	:09
J/22	Red	:12	S2 7.9 & PHRF I	Red	:12
Sonar	Red	:15	MORC II - III & PHRF II	Red	:15
Capri 25	Red	:18			
PHRF I & Ensign	Red	:21			
MORC II - III & PHRF II	Red	:24			

Note:

Times shown are examples of standard times; see schedule for actual Warning times.
For Women's Bay Series in Wayzata Bay, check with committee boat for starting instructions.

SIGNALS

Answering Pennant – Postponement Signal

- When given ashore, no race will be started before 45 minutes after the flag is lowered. 2 sound signals when raised, one sound signal when lowered.
- When given on the water, races not started are postponed. Warning signal will be made after AP is lowered. Sounds signals as above.

RED/WHITE

C A mark of the course has been moved. An accompanying **Green** flag says the new mark is right of the original mark's position, an accompanying **Red** flag says the new mark is left of the original mark's position. Repetitive sound signals.

BLUE/WHITE/RED/WHITE/BUE

L

- When displayed ashore: a notice to competitors has been posted on the notice board. No sounds ashore, nor on the water.
- When display on the water: "Come within hail" or "Follow me."

YELLOW/BLACK

N OVER A Abandonment signal. "All races are abandoned for the day." 3 sound signals.

BLUE/WHITE over WHITE/BLUE

AP OVER C All scheduled races are cancelled. A special "Heavy Air Cup" race will be held. All boats start together. Boats must be registered with the PRO a minimum of six days prior to participation. 3 sound signals.

RED/WHITE over BLUE/WHITE/RED/WHITE/BLUE

S Shorten Course:

- Before start sequence: "Time limit has been shortened to 2 hours, shorter legs." 2 sound signals before initial warning signal.
- During race: "At least one Class has its course shortened to finish between RC boat and mark of the course." Repeated hails.

WHITE/BLUE

X Individual Recall:

Broken out immediately after the start signal and accompanied by one sound signal. The Race Committee may attempt to hail each boat being recalled. Flag is displayed until all boats are on the pre-start side of the line, or for 2 minutes, whichever is earlier.

WHITE/BLUE

FIRST SUBSTITUTE – GENERAL RECALL: The class is recalled for a new start.

The class recalled will go to the end of the starting order and start 3 minutes after the last class has started. 2 sound signals. The signal will be lowered one minute before the start of the next class.

YELLOW/BLUE
