

**FAST out of the bag, and
FAST for seasons to come!**

Our line of Capri 25 sails have been carefully designed and crafted for the serious racer looking for top quality and value.

Included Features:

- * High performance low stretch and low shrink Load Path Aramid, or racing dacron fabrics in varying weights to provide maximum strength and minimum weight.
- * Sail numbers, draft stripes, tapered leech battens with full top batten, tell tales & leech line.
- * Loose foot, cunningham, and custom bag.
- * All stainless steel press-in and webbed on corner rings.

**Orders must
be received by
November 20
with a 50%
deposit.
Shipment by
April 30th.**

We have slightly modified our new 2013 Spinnaker design with a little more vertical camber and a fuller head. Testing in 2014 and 2015 confirmed the shape is the fastest!
