

When: Thursday, April 30th @ 6:00PM

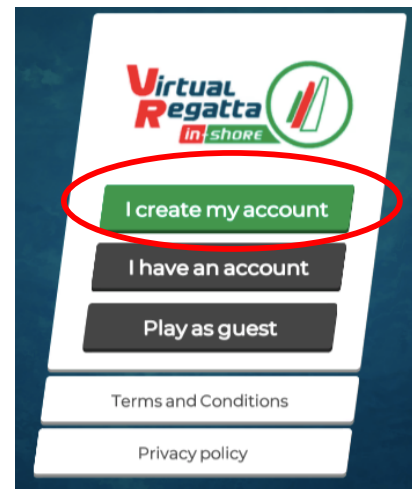

Where: meet.google.com/jcz-tnat-wwz

What: Join the video meeting to participate in a J-22 Fleet #1 Trivia Game, followed by a private *Virtual Regatta Inshore* series for all participants.

YOUR HOMEWORK: Set up your *Virtual Regatta Inshore* account prior to the event. There is a “sailing school” that you must complete in order to learn how to use the game. This should be completed before Thursday in order to save time while we are together. Follow the steps detailed on the following pages to do so.

1. Go to <https://www.virtualregatta.com/en/inshore-game/> on your internet browser.

2. Allow the game to load, then click **I Create My Account**

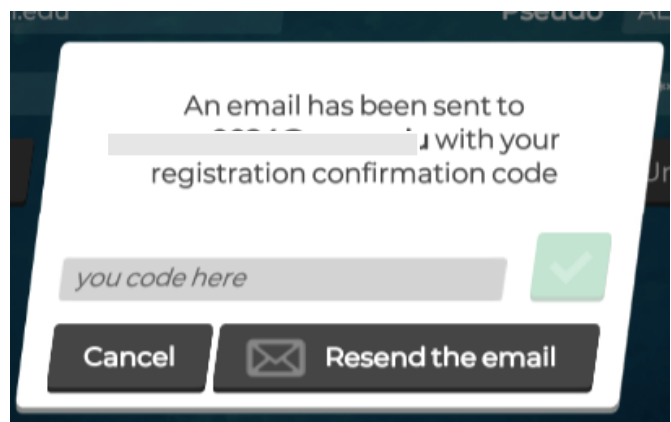

3. Complete the requested information for your account.

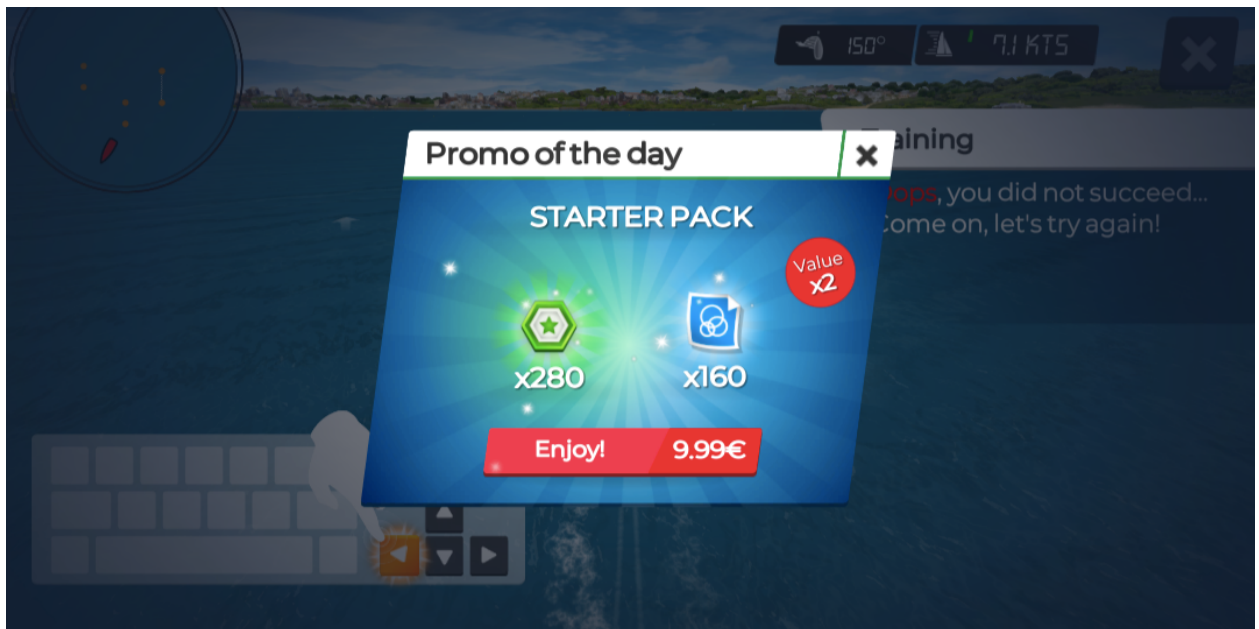

Your Pseudo is like your screen name. Try to use the format **WYC_username** so we know each other when we are online!

A screenshot of the account creation form. The form has a dark blue background with a boat icon in the top left. It includes the following fields: 'Email*' with a placeholder 'your@address.here', 'Password*' with a placeholder 'your password here' and a '2 characters max.' note, 'Gender*' with two buttons (male and female), 'Pseudo*' with a placeholder 'your pseudo here' and a '3 characters max. / 20 characters min.' note, and 'Country*' with a dropdown menu showing 'United States'. At the bottom, there is a checkbox for 'I have read and accept the Virtual Regatta Terms of Use and Privacy Policy.' and a green checkmark button.

4. An email will be sent to the address you enter with a confirmation code. Type in the code and press the green check mark.

5. Periodically, promotions will pop up onto the screen like the one below. Ignore them by clicking the **X** or clicking to the side to close. You do not need to pay anything to play.

6. Complete the training tasks by following the instructions on the screen.

7. Complete all the lessons until you are brought to the home screen. Feel free to try out some races, or just wait until Thursday to race against friends with some good old fashioned virtual trash talk!
