

SAIL MEASUREMENT: THURS June 13th

Drop-off. Leave regatta sails in Tim's trailer after Thursday Racing. This is 1 week prior to the event. Sails will be measured over the weekend all at once.

BOAT WEIGHT - SUNDAY - June 16th

Plan to be at the club sometime between NOON - 5pm. Sign-up on the sheet after next Thursday's race. This is also the A-Series party with the J/22's and we are supposed to help out so it works well.

SLIP SWAP

The plan is to have all fleet 1 boats on lifts find a Sonar or J22 to swap with. They should fit on your lift. Some boats will vacate their slips and move to Shorewood those slips will go to out of town boats. Please try to find a boat in the sonar/j22 I fleet to swap with, talk to Bert or Ernie or Thorn Turner.
