

Sonar World Championships 2017 Lunenburg Yacht Club, Nova Scotia, Canada

Greetings from beautiful Nova Scotia!

We are pleased to be hosting the 2017 Sonar World Championships this year at the [Lunenburg Yacht Club](#), September 6-10.

September is a lovely time in Atlantic Canada. Not sweltering, but pleasantly warm, and with great wind. You can read a detailed description of the potential sailing conditions [here](#), written by our long-time member Andreas Josenhans.

It's a picturesque and historic area, great for sailing and vacation for everyone. If you happen to be coming from South of the Canadian border keep in mind that your dollar is going further when you head north, around 30% further these days. It's a bit of a drive, but we have [directions](#) for you.

When you're not racing, there will be plenty of other activities. Along with regatta festivities, we will be hosting the annual Sonar Association AGM, the famed Bluenose II will be in port, and there will be a tuning seminar from Brian Hayes and Ched Proctor, North Sails' One Design experts. You can read more about the events [here](#).

We already have over 20 crews signed up, so don't miss out. [Register here](#) anytime.

All information is also available on [LYC.ca](#).

If you have any questions, please don't hesitate to contact me.
