Frequently Asked Questions

Q: What do you mean by a Women's Regatta?

A: Women at the helm and in the crew. No men onboard.

Q: I am new to sailing/racing. Is this regatta right for me?

A: This regatta is intended to be competitive and is intended for experienced women sailors.

Q: This all sounds great but what if I do not have a full crew of women?

A: We can help fill your crew needs. We recommend 3-4 on a boat.

Q: The race is being held on Sonars (<https://www.sonar.org/>). What if I do not own a Sonar?

A: We can help connect you with a boat to charter. We do not however guarantee that everyone that wants a boat will get one. There are a limited number of charters available.

Q: I have a Sonar but it is quite expensive to go to a regatta at another yacht club. How can you help me?

A: The Registration fees are quite reasonable and we have done other things to control costs. Registration includes at least one meal a day for you and your crew. Visiting sailors have typically been housed free of charge at a WYC members house. We can help connect you to that housing.

Q: Where do I get more information on the regatta?

A: On the website: <https://www.wyc.org/womenschampionship>. We also welcome your questions at womenrock@sonar5.org.

Q: I am all in. Where do I register?

A: The link to online registration can be found at: https://myc.formstack.com/forms/wyc_womens_regatta_2018. We also accept mail-in registrations. Instructions are also given online.
